

# Checklist of January Birds for Franklin County, Ohio

*Last update: 1/22/2012*

This list was generated from eBird data for Franklin County and is intended to give beginning birders a sense of what species are likely to be found in Franklin County during January. This is **not** a comprehensive checklist for Franklin County during January, as many casual and accidental species have been omitted from this list.

For more information, explore data on the *eBird* website [www.ebird.org](http://www.ebird.org), the statewide checklists provided by the Ohio Ornithological Society on their website at [www.ohiobirds.org/site/library/checklist/about.php](http://www.ohiobirds.org/site/library/checklist/about.php) or contact the author of this checklist, Paul Hurtado ([paul.j.hurtado at gmail.com](mailto:paul.j.hurtado@gmail.com)).

**Abundance Code:** Species is (C)ommon, (U)ncommon or (R)are.
